BUS ROUTES TO SPRINGSTEP: 94, 95, 96, 101, 134

DRIVING DIRECTIONS TO SPRINGSTEP (<http://www.springstep.org/>):

SPRINGSTEP is easy to find (though there are a few one-way streets to contend with). It is at the junction of Route 93 (exit 32) and Route 60, opposite Medford City Hall.

From Route 93, take exit 32 toward Medford Sq. (Salem St.); Pass in front of City Hall and take the first left you can (River St.). Go left again onto Riverside. Go to the second left (lights there) and turn left, which takes you down to *SPRINGSTEP*.

From Route 60 (Salem St.), Malden, same as above after "pass in front of City Hall"

Route 60 from Arlington (High St.) Go into Medford Sq., cross straight onto Riverside, go three blocks, then left at lights to *SPRINGSTEP*.

From Route 16 (Mystic Valley Pkwy.) go until you are almost on Route 93, get on far right & follow sign to Route 38, Medford Sq. (puts you on Main St. briefly), go left under overpass, take 1st right, (Clipper Ship Dr./Ring Rd. - but there are no street signs), continue, bearing left .4 miles to *SPRINGSTEP*.

(If you miss the exit to Medford Sq., continue, taking Route 93 North to exit 32)

* Mystic Ave., Somerville blends in with Main St., Medford as you approach the overpass and Medford Sq.

Parking: After turning on to Clipper Ship Dr., park on your left in the area behind City Hall or park on the right in the commuter lot.
